Enjoy the thrill of *Rambo Circus* on the screen with the first ever digital show *'Life Is A Circus'* to be streamed on *BookMyShow Online*

Hold your breath, as curtains on one of the oldest and most-loved forms of entertainment open wide again!

Rambo Circus, a name synonymous with circus entertainment in India, is all set to bring back the thrill of the live circus to your screens with its first ever digital production *Life Is A Circus*, starting **September 25th.** The show which will be streamed on *BookMyShow Online*, is an ode to the greatest showmanship and a part of Rambo Circus' #SaveTheCircus appeal to entertainment-lovers in the country. Tickets to the show are now available on BookMyShow.

'Life Is A Circus' is a an hour-long show with highlight acts like ***Flying Trapeze, Juggling, Acrobatics, Balancing Objects*** and the ***Happy Clowns***, all culminating into a **Grand Finale Carnival**, which will be a tribute to the COVID Warriors. The entire show has been scripted and curated to make it virtually audience-friendly.

The proceeds raised from the show will be used for the support and benefit of Rambo circus artists and their families, who have been impacted by the Covid19 pandemic. The initiative is supported by BookASmile, the charity initiative of India's leading entertainment destination BookMyShow, along with Swaradhar, an NGO dedicated towards the wellbeing and betterment of the artist community.
